

INVITATION

OPEN DAYS 2023

8-10 NOV, EMMELOORD

We are delighted to open our doors from November 8-10 to present our innovative potato varieties and promising lines to you at the Open Days in Emmeloord, Holland.

Our teams of breeders, product management, production and sales are happy to meet and exchange ideas with you.

#GrowingInnovation – this promise applies to us in breeding just as it does to the continuous development of the Solana Group. In the last few months we have been working on the new appearance of the Solana Group and Solana Holland:

We would like to present the new corporate identity to you at our event.

We are looking forward to your visit!
